North Bay Nov. 5th. 1914.

Professor Falconer,
Pres. University of Toronto,
Toronto, Ont.

Dear Sir:-

On behalf of the Canadian Club, North Bay
I am requested to write you with a view to ascertaining if
you would consent to address us at a Luncheon to be held
some time during the present month.

During the summer season the Club has been
inactive, but it is now the desire of the Executive that
our regular meetings should again be held, and it is for
the opening one that our Club would appreciate very much
your addressing them. The subject of your address of course
is left with you to decide, and the date of the meeting
would be made to suit your convenience.

In the past it has been our custom to hold these
meetings at 6.30 P.M. which enables any Speaker coming to
us from Toronto to take the 11 P.M. train South should he so
desire. In asking you to address our Club, we appreciate
the fact that you are an exceedingly busy man, but thought that
perhaps you could spare the time in view of the fact that you

could leave Toronto about ten o'clock in the morning and reach North Bay at a few minutes before 6 P.M. This arrangement would enable you to return to Toronto the same night should you so desire, but we would appreciate very much if you could arrange to spend a day with us.

Trusting that you may be able to see your way clear to meet our request and awaiting your reply, I am.

Yours very truly,

A handwritten signature in dark ink, appearing to read "R. Moffat", is written over the typed name "Secretary". The signature is fluid and cursive.

Secretary.

J. R. Moffat, Esq.,

Secretary, Canadian Club,

North Bay, Ont.

Dear Mr. Moffat:

I have your letter asking me to go to the Canadian Club of North Bay and I should be very glad to accept your invitation were it not that already I have three or four invitations for the present month which I must decline on account of an engagement to go West to Edmonton. I do not think that I can probably go to North Bay until towards spring, as there are at least half a dozen previous engagements and my duties here, as well as one or two important trips to the United States, will leave me very little time. Perhaps I might be able to go for you in April if that were not too late.

Yours sincerely,

President.

J. R. Moffatt, Esq.,

North Bay, Ont.

Dear Mr. Moffatt:

I am sorry that the rest of the month of May is so occupied with engagements that it will be quite impossible for me to speak to the Canadian Club at North Bay. I am engaged indeed until the 15th of June. I hope, however, to be able to go for you on some other occasion.

I am,

Yours sincerely,

President.
